

Cherokee Nation Code Annotated

Title 1: Administrative Procedure

Chapter 6: Institutional Reviews

§ 604. Definitions

Cite as: 1 CNCA § 604

A. Institutional Review Board: A body with authority to review research studies to ensure compliance with applicable regulations, commonly accepted ethical standards and institutional policies in an ethical manner that adequately protects research participants.

B. Predecessor IRB: The Institutional Review Board established and operating under Resolution 67-97 (August 11, 1997) and Resolution 37-01 (July 20, 2001)

C. Successor IRB or IRB: The Institutional Review Board established by this Act, succeeding the Predecessor IRB.
