Title 10A: Cherokee Nation Juvenile Code

Article 2

Chapter 2: Custody and Court Proceedings

§ 2-2-803. Review and assessment of children committed to Department of Juvenile Justice

Cite as: 10A CNCA § 2-2-803

A. The Department of Juvenile Justice shall review and assess each child committed to the Office to determine the type of placement consistent with the treatment needs of the child in the nearest geographic proximity to the home of the child and, in the case of delinquent children, the protection of the public. Such review and assessment shall include an investigation of the personal and family history of the child, and his environment, and any physical or mental examinations considered necessary.

B. In making such review, the Office may use any facilities, public or private, which offer aid to it in the determination of the correct placement of the child.
