For purposes of this section, a series of offenses may be aggregated into one offense when they are the result of the formulation of a plan or scheme or the setting up of a mechanism which, when put into operation, results in the taking or diversion of money or property on a recurring basis. When all acts result from a continuing course of conduct, they may be aggregated into one crime. Acts forming an integral part of the first taking which facilitate subsequent takings, or acts taken in preparation of several takings which facilitate subsequent takings, are relevant to determine the intent of the party to commit a continuing crime.
