

Cherokee Nation Code Annotated

Title 21: Crimes and Punishments

Part VII. Crimes Against Property

Chapter 69: Malicious Mischief

§ 1786. Injuries to pipes and wires

Cite as: 21 CNCA § 1786

Any person who willfully breaks, digs up or obstructs any pipes or mains for conducting gas or water, or any works erected for supplying buildings with gas or water, or any appurtenances or appendages therewith connected, or injures, cuts, breaks down or destroys any electric light wires, poles or appurtenances, or any telephone or telegraph wires, cable or appurtenances, is guilty of a felony punishable by imprisonment for a term not exceeding three (3) years, or by imposition of a fine in an amount not to exceed Fifteen Thousand Dollars (\$15,000.00), or by both such fine and imprisonment.
