

Cherokee Nation Code Annotated

Title 21: Crimes and Punishments

Part IX. Boating Safety

Chapter 80: Boating Safety Act of 2021

§ 4209.8. Inspections for purpose of locating stolen vessels and related equipment

Cite as: 21 CNCA § 4209.8

Any peace officer of this Nation may inspect any vessel, motor, trailer, or related equipment in any public garage or repair shop or in any place where such vessel, motor, trailer or related equipment is being held for sale or wrecking, for the purpose of locating stolen vessels, motors, trailers, or related equipment and investigating the title and registration of those items.
