

Cherokee Nation Code Annotated

Title 27: Environmental Quality

Chapter 4: Air Quality

§ 406. Controlled open burning

Cite as: 27 CNCA § 406

A. For purposes of this section, "**open burning**" means the burning of non-hazardous combustible materials in such a manner that the products of combustion are emitted directly to the outside atmosphere.

B. Persons who wish to conduct open burning on tribal lands shall provide notification of the planned open burn to the Environmental Programs Group at least ten (10) days prior to the burning. The notification shall be on a form developed by the Commission.

C. The Commission shall have the authority to promulgate rules regarding open burning as necessary.
