

Cherokee Nation Code Annotated

Title 27: Environmental Quality

Chapter 7: Toxic and Hazardous Substance Control

§ 711C. Education

Cite as: 27 CNCA § 711C

The CN EPC may, using the available information and resources established in 15 U.S.C. § 2661 et seq., develop an educational program concerning the dangers and solutions of radon which might affect all human beings living within the borders of Cherokee Nation.
