

Cherokee Nation Code Annotated

Title 27: Environmental Quality

Chapter 9: Water Quality Code

§ 916. Orders

Cite as: 27 CNCA § 916

A. The Commission may issue an order requiring compliance with this chapter, rules of the Commission, and orders previously issued. Such orders may require a change in the source or sources of a public water supply, or in the manner of storage, distribution, purification or treatment of the supply before delivery to consumers, as may be necessary to safeguard the public health or environment.

B. The Commission or Administrator may issue an emergency orders as necessary to safeguard the health of the consumers or the environment.

C. Orders of the Commission or Administrator may require public water supply systems to notify consumers of the problem with the supply and the action required by the order.

D. An order shall remain in full effect until it is rescinded by the Commission.

E. Orders and proceedings, unless otherwise specifically provided, shall be in compliance with general enforcement provisions of this chapter and the Administrative Procedure Act, 1 CNCA § 101 et seq.
