**§ 917. Groundwater supplies**

Cite as: 27 CNCA § 917

A. The Council finds that a safe public groundwater supply is one of the most valuable natural resources in this Nation.

B. The Council recognizes and declares that the management, protection and conservation of groundwater supplies and the beneficial uses thereof are essential to the economic prosperity and future well-being of the Nation. As such, the public interest demands procedures for the development and implementation of management practices to conserve and protect public groundwater supplies.
