

Cherokee Nation Code Annotated
Title 27: Environmental Quality
Chapter 13: Hazardous Waste Code
§ 1320. Monitoring of closed facility
Cite as: 27 CNCA § 1320

After a hazardous waste facility has been closed, its owner or operator shall properly maintain and monitor the hazardous waste facility for the period of time required by the Code, rules promulgated hereunder, permit or order of the Commission and shall make such repairs or improvements as necessary to ensure that no migration of hazardous waste material will occur.
