Title 27: Environmental Quality
Chapter 13: Hazardous Waste Code
§ 1321. Hazardous waste manifest
Cite as: 27 CNCA § 1321

A. Persons generating hazardous waste shall provide a manifest to the operator of any mode of any offsite transportation carrying hazardous waste. Such manifest shall be in a form which has been prescribed by the Commission and shall indicate a disposal plan number assigned by the Commission which shows that the Commission has approved the plans of the person generating such waste. The manifest shall also set forth the type, amount, approximate content, origin and destination of the waste. Such operator shall have the manifest in his possession while transporting or handling the hazardous waste. Upon delivery of the hazardous waste to a facility duly authorized to accept such waste, the operator shall submit such manifest to the receiving person for processing pursuant to rules promulgated by the Commission.

B. No off-site TSRD facility shall accept the manifest unless such manifest has a properly assigned disposal plan number indicating that the Commission has approved the plans of the person generating the hazardous waste.

C. No person shall transport, receive, treat or dispose of hazardous waste without having the manifest in his possession.

D. The Commission may recognize manifests that have been duly issued or authorized by a state or federal agency with jurisdiction.
