

Cherokee Nation Code Annotated
Title 43: Marriage and Family
Chapter 6: Child Support Guidelines
§ 516. Children not otherwise considered
Cite as: 43 CNCA § 516

A. Any parent that has child support calculated may submit a child support calculation for any child not otherwise considered in the calculation of child support, provided such parent is, in fact, the legal parent of such child and such parent actually supports the child to the extent identified in the child support calculation form.

B. The Court may consider any and all support provided to such child in determining the child support calculation and in its discretion may deduct the child support attributed to such parent in the same manner as for approved child support deductions.
